

The image shows a comprehensive wireframe for a dashboard. At the top, there are two long, thin rectangular boxes. Below these, the left sidebar is composed of six shield-shaped icons, each with a small circle at the bottom, and a vertical list of checkboxes. The main content area is divided into several sections: a top-left box with a small square icon, a top-right box with a small square icon, a middle-left box with a small square icon, a middle-right box with a small square icon, a bottom-left box with a small square icon, and a bottom-right box with a small square icon. The bottom of the dashboard is occupied by a large table with 5 columns and 10 rows, and a final large box on the right side.
